Morningside A and White Oaks C Neighborhood Roadway Reconstruction

Dear Resident:

Project Schedule:

- Next week, crews will install concrete curbs and gutters on Sunnyside Road between Grimes Avenue and Curve Avenue. Concrete driveway aprons will continue to be poured on Sunnyside Road and Curve Avenue. To allow enough time for the concrete to cure, driveways will be inaccessible for three days. The contractor will notify affected homeowners with a door hanger the day before the work occurs, which will list alternative parking areas. Between 7 p.m. and 7 a.m., vehicles will be allowed to park on the street. Driveways will re-open once the concrete cures and a gravel ramp is added.
- Next week the crews will start pouring concrete sidewalks in the Morningside neighborhood, with topsoil, irrigation and other landscaping features to follow.
- Next week, crews will directional drill a watermain pipe from the end of the Townes Circle alley to Townes Circle. Crews will let you know via door hanger the day before work begins if access to your driveway is impacted.
- Signs for Sunnyside Road business access are in place directing customers to use the 44th Street alley.
- Please put your garbage and/or recycling out prior to 7 a.m. on your collection day as haulers are trying to complete their rounds before road work is started for the day.

All schedules are weather-dependent and are subject to change.

Communications:

Have questions or comments regarding this project? Visit the project website at www.EdinaMN.gov/morningsidea_whiteoaksc or call me at 952-529-2317 or kmontebello@sehinc.com.

- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.

The City of Edina and Northwest Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Kelsey Montebello
City of Edina On-site Representative
